**COMMUNICATION REGARDING RESCINDED NONPUBLICATION REQUEST
AND PETITION FOR REVIVAL OF APPLICATION IF NECESSARY**

This communication is being filed in response to the notification published in the Official Gazette on May 6, 2003, concerning the notice requirements of 35 U.S.C. 122. The Official Gazette notice reminded applicants that a request to rescind a nonpublication request is not itself a notice of foreign filing, and that an additional notice of foreign filing may be necessary in certain circumstances.

For the reasons discussed below, the Assignee of the above-referenced application believes that the notification requirements of 35 U.S.C. 122 have been fully met in this application.

If the Patent and Trademark Office (the "PTO") determines that an additional notice of foreign filing was required for this application, however, the Assignee hereby requests the Commissioner to accept the enclosed Notice of a Foreign or International Filing and to find that the delay in submitting the notice was unintentional and that the application was never abandoned pursuant to the last phrase of 35 U.S.C. 122(b)(2)(B)(iii). In the alternative, the

Assignee hereby requests the Commissioner to accept the enclosed Petition for Revival of the application as being unintentionally abandoned.

The Commissioner is authorized to charge any necessary fees to the deposit account identified below.

BACKGROUND

This application was filed on June 7, 2001, with an accompanying request for nonpublication under 35 U.S.C. 122(b)(2)(B)(i). On January 30, 2002, the request for nonpublication was rescinded using the form authorized by the PTO (Form PTO/SB/36 (11-00)). A copy of this request and of the postcard from the PTO acknowledging the receipt of the request are enclosed as Exhibits A and B. On January 23, 2002 a corresponding PCT application was filed.

THE ASSIGNEE HAS COMPLIED WITH 35 U.S.C. 122

If the Commissioner determines that a separate notice of foreign filing was required, it is the Assignee's understanding that the PTO considers a request to rescind a nonpublication request as the proper notice of foreign filing. This understanding derives from the "Request to Rescind Previous Nonpublication Request, 35 U.S.C. 122(b)(2)(B)(ii)" form endorsed and distributed by the PTO in 2001. In particular, Form PTO/SB/36 (4-01), which is attached as Exhibit C, includes the following note: "Filing this rescission of a previous nonpublication request is considered the notice of a subsequent foreign or International filing required by 35 U.S.C. 122(b)(2)(B)(iii) and 37 CFR 1.213(c) if this rescission is filed no later than forty-five days [sic] (45) days after the date of filing of such foreign or international application." The January 30, 2002, request to rescind the nonpublication request submitted in this application was nearly identical to Form PTO/SB/36 (4-01), but did not contain the note. The note, however, is not an affirmative statement by the signing party, but an explanation of how the PTO treats a request to rescind a nonpublication request. The Assignee therefore submits that the January 30, 2002, request to rescind the nonpublication request was a proper notice of a foreign or international filing under 35 U.S.C. 122(b)(2)(B)(iii).

#12

According to 35 U.S.C. § 122(b)(2)(B)(iii), a patent applicant must notify the Director not later than 45 days after filing an application in a foreign country or under a multilateral international agreement that requires publication of applications 18 months **after filing** (emphasis added). PCT applications do not require publication in this manner. Publication according to the Patent Cooperation Treaty is provided as follows:

[T]he international publication of the [PCT] application shall be effected promptly after the expiration of 18 months from the priority date of that application.
Article 21 PCT (emphasis added).

Thus, the provisions of 35 U.S.C. § 122(b)(2)(B)(iii) do not apply to the corresponding PCT application as this application must be published about 6 months from its filing date, not after the 18 month period set out in 35 U.S.C. § 122.

IF NOTICE UNDER 35 U.S.C. 122(b)(2)(B)(iii) WAS NECESSARY,
THE APPLICATION IS NOT ABANDONED

The Assignee was unaware of any potential problems with this application until sometime on or about May 6, 2003, when the relevant notice was published in the Office Gazette. Accordingly, any delay in filing a proper notice was unintentional. If it is determined that a notice of foreign filing was required under 35 U.S.C. 122(b)(2)(B)(iii), the Assignee hereby requests the Commissioner to accept the enclosed Notice of a Foreign or International Filing and to find that the application was never abandoned as the delay in providing the Notice was unintentional. The Commissioner may make such a finding under 35 U.S.C. 122(b)(2)(B)(iii), which provides that “[a] failure of the applicant to provide such notice within the prescribed period shall result in the application being regarded as abandoned, unless it is shown to the satisfaction of the Director that the delay in submitting the notice was unintentional.” The word “unless” in this subsection conveys the meaning that no abandonment occurs when the delay in providing the foreign filing notice was unintentional.

IF THE APPLICATION IS ABANDONED,
THE ASSIGNEE REQUESTS REVIVAL

If it is determined that the application has become abandoned pursuant to 35 U.S.C. 122(b)(2)(B)(iii), the Assignee hereby requests the Commissioner to accept the enclosed Petition for Revival under 37 C.F.R. 1.137(b), which includes the requisite notice of a foreign or international filing.

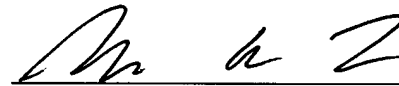

The Commissioner is hereby authorized to charge any fees that may be required in connection with this communication, including any petition fee to Account No. 02-4550. A copy of this communication is enclosed.

If any further information is required, or if the Commissioner has any questions in connection with this communication, the Commissioner is invited to call the undersigned.
